### **Pam Watson Korbelt receives Martin Luther King Award for Colorado**

Denver — Pam Watson Korbelt, CEO of SmartGrowth, Inc., received one of six Martin Luther King Business Responsibility Awards for Colorado during the city's recent Martin Luther King Birthday celebration.

This event gives the business community an opportunity each year to honor Dr. King's memory and reaffirm the commitment to the values and goals to which he dedicated his life. All proceeds from the luncheon will be donated to the Colorado Scholarship Coalition, who will select and award Martin Luther King, Jr. Scholarships.

Governor Bill Owens of Colorado presented the awards along with Joseph Blake, president of the Denver Metro Chamber of Commerce.

Korbelt was recognized for her community work, especially volunteer work to help minority small business development and Girl Scouting.

She is a past president of the Denver chapter of the National Association of Women Business Owners and a professional member of the National Speakers Association. Korbelt graduated from Creighton University in Omaha with a BA in 1977 and an MBA in 1983.
